NOTED PLACES in IRELAND, referring to their POST TOWNS: Collected either at the Post-Office, or by Information from Gentlemen and Dealers. Thus, Ballihays is not among the Post-Towns; but here it refers to Cavan: So I must direct, *To Ballihays near Cavan.*

This Alphabet generally serves to find (nearly) the Distance of any Place in it from Dublin; Thus, in the Post-Towns, Cavan is 52 miles from Dublin, (and the Road to Cavan is set down in the Column E of the Roads) therefore Ballihays is but a few Miles more or less than Cavan, its Post-town: And so of any other.
